Ring Size Guide

Use this printable ring sizing guide to find the perfect fit for his or her ring. Ensure that the dimensions are correct by placing the edge of a credit card against the line below.

Option 1: Measure by matching your ring

Match up your ring to one of the circles below to learn what your ring size is. Ensure it's a ring for the finger you would like to wear your new ring on.

Option 2: Measure with the our ruler

Cut out the ruler below and wrap around your finger. Ensure it's a snug fit. Use the line demarcations to see what your ring size is.
